**VISION:**

“To be an outstanding institution of excellence in higher education, to promote need, value and career-based programmes to ensure scientific, global and spiritual development of student community with which they will blossom as fully competent human beings to meet ever changing needs of time”

**MISSION:**

- By promoting and facilitating sustainable development of higher education in consistent with Policies and Acts of University, UGC and the Government.
- By planning and continuously providing necessary infrastructure and learning resources, communication skills, computer proficiency and ICT required for quality education and innovations.
- By stimulating activities to strengthen the professional competencies of teaching and non-teaching staff through faculty development.
- By providing support facilities to research activities of the institution involving staff, students and society.
- By establishing collaboration and interactions with business firms, industries and institutions.
- By establishing communication network between the colleges, parents, alumni and the society at large to create healthy atmosphere for vision-oriented growth.
- By promoting harmonious relationship among faculty, student community, parents and society through effective counseling, guidance and redressed of grievances.

## GOALS & OBJECTIVES:

- To impart quality education and training to students for their all-round personality development.
- To instill patriotic fervor and protect national heritage.
- To create spirit of inquiry and to develop scientific temperament among student community.
- To develop adaptability to changing market scenario.
- To inculcate values, civic responsibilities and environmental awareness among students for global peace and harmony.

To strengthen the academic programmes with more career oriented course to meet the global requirements.

Nature of Governance: The top management has been striving to keep the education in tune with fast changes in knowledge management systems the world over. The dynamic changes in aspiration of youth, all pervading ICT (Information and Communication Technology) and globalization have necessitated a paradigm shift like governance. Under such changing conditions "participative management" is considered the best option, because it makes all stake holders feel that they are crucial to the management of the college.

To ensure that participative management functions effectively to lead the students towards its vision the college has been closely monitoring various feedbacks received from all the stakeholders.

- a. The compliance of NAAC peer committee reports are attended by the involvement of the teachers. The peer committee had stressed the need to make the teachers right scholarly articles in magazines of national / international repute this suggestion was taken with due seriousness by the principal who enthused the teachers to contribute to the magazines. The teachers got together during the year 2020-21 12 articles written by the faculty were accepted and published.

In all fields the college a system of participative leadership had significantly contributed to the overall implement in the college.
