**STUDENT GRIEVANCES AND REDRESSAL CELL**

The Grievance Redressal Cell was formed with the goal of resolving student grievances. Students may submit their grievances in writing and submitting to the grievances boxes placed outside the staff room, near office and near library or to electronically via email. The cell takes appropriate measures/solutions to the grievances received. All students in our college have access to the Student Grievance and Redressal Cell to voice their concerns about academic matters, financial matters, health services, the library, and other central services. Students' complaints dropped in the 'Suggestion Box' and oral complaints are both addressed. An effective complaint management mechanism improves stakeholder relationships and satisfaction. The Student Grievances and Redressal Cell was formed by principal for addressing the grievances of the students. The members of Student Grievances and Redressal Cell are as follows:
