FEEDBACK SYSTEM

There is a system of feedback from the various stakeholders viz. Students, Parents, Alumni and Teachers regarding various facilities available in the college. Around 15 questions are set to take feedback. Students will give their opinion on various facilities available in the college and about Teaching and curriculum. Alumni and Parents are also contacted for taking feedback about the college.

We select some students randomly in the classroom for taking feedback. Such students are provided feedback forms. Students will give their opinion on various facilities. We give opportunity to students to give their suggestions. We fulfill their suggestions for the benefit of the student community.

Parents are randomly selected for getting feedback. We incorporate the suggestions given by parents. Further, we also take feedback from the prominent alumni. The feedback given by alumni are closely studied and analyzed logically. The right suggestions given by them are accepted and included in our quality enhancement program.

Students demanded for variety of foods in the canteen. Their demand is fulfilled by upgrading canteen facility. Students asked for a greater number of campus interviews. An effort is made in this regard.

We also take feedback from the Teacher on facilities available in the college campus and about curricular aspects. College is affiliated to Rani Channamma University Belagavi. The syllabus framed by the university is adopted in the college curriculum.
