The Women Empowerment cell also brought joy and enthusiasm to the students with the Fun Week and Colors Day Celebration, which took place from July 15<sup>th</sup> to 19<sup>th</sup>, 2024. Throughout the week, a variety of competitions were held, allowing girl students to showcase their talents and engage with each other in a lively and positive atmosphere. The celebration of Colors Day further added vibrancy to the week, as each day had a designated color theme that students embraced with enthusiasm. Finally, the academic year ended on a festive note with the Traditional Day Celebration on July 20, 2024. This event allowed students to dress in traditional attire, honoring the rich cultural heritage of the region.
